

Classes Policy

Class members

inlingua Leeds has the final say in which class students are registered to. This decision is based on:

- The student's level from the placement test
- The student's ability to communicate
- The student's confidence (sometimes, students are placed short term in a lower level to build confidence)
- The student's aims and goals e.g. for exams/university
- The student's gender (if a student wants to apply for a Female Only class, they must be female)
- Availability in the class
