

Discounts Policy

All discounts must be approved by the inlingua Leeds management. Offers or discounts offered by any other person are not valid and will not be considered. Any associates of inlingua Leeds must not offer any discounts that have not been previously agreed with inlingua Leeds management.

Discounts are only available to self-funded students on the regular price list. Students who are sponsored or on a scholarship cannot get discounts.

inlingua Leeds has the right to add, withdraw or withhold any discounts at any time and without reason. Students who are expelled or unable to complete their course due to poor behaviour will automatically have all discounts taken off their booking and they must pay the full amount.

Available discounts

There is an available discount of a maximum of £20 per week on each individual English language booking. This is available for both General English and Exam Preparation.

For university preparation, discounts are not available unless agreed individually by inlingua Leeds management.

Discounts are available on a case by case basis on extras and services. No discount is available on accommodation through inlingua Leeds.
