

GOVERNANCE ARRANGEMENTS

We have a dedicated team of governors at MDA College working alongside and supporting the teaching staff and the students.

MDA governors ensure that there is a clear and strong strategic direction while holding the Director of Studies accountable for the educational performance of the school and its pupils, and the performance management of staff.

MDA governors play a key role in:

- determining how the school's budget is spent.
- appointing and dismissing of staff.
- appeals and grievances.
- setting standards for pupils' behaviour and discipline.
- making sure school buildings are welcoming and safe.
- setting and monitoring the school's aims and policies.
