

School Closure and Bank Holidays Policy

Below are listed the national UK holidays that all students and staff will have as holiday. It does not include the UK August bank holiday as this is not a guaranteed holiday from inlingua Leeds. Any holiday outside of these dates is decided by inlingua Leeds management. However, if the College is closed due to circumstances outside of our control, such as (but not limited to); extreme weather, power failure or security incidents, we will try to minimise disruption. However, if the College is forced to close for a period of time, students cannot be reimbursed for the time missed.

Full details of the holidays and terms for each academic year is available on the website and advertised around the school.

2023-2024 UK Holidays are:
